

# *Evansville Catholic Winter Percussion FAQs*

Director: Allison Field  
afield@evdio.org

## *What exactly is winter percussion?*

Winter percussion is an indoor activity that uses percussion instruments to create a competitive show. The show is about 4 - 4 ½ minutes in length. This activity is done on a tarp in a gym.

## *What kind of time commitment is required in this activity?*

Members will practice 2 to 3 days a week with varying hours. Rehearsals will be at Mater Dei high school. There will also be camps on occasional Saturdays and camp days over winter break.

## *How much does it cost to join winter percussion?*

Winter percussion dues are \$250 for the season. This money goes towards staff, tarp, uniforms, equipment, buses, and much more! Without your financial contribution, this program would not be possible. If you need to discuss options for fee payment, please talk with Ms. Field as soon as possible.

## *Where are the competitions?*

Competitions are in the Indianapolis area. There will be 4-5 competitions depending on how far they go into "post-season" competition.
